

Buyers' guide

This guide covers all microlight-legal aircraft up to 600kg MTOM offered or planned for the UK market, provided sales and support are available in Britain and the manufacturer/importer has responded to our enquiries regarding pricing and availability.

Within each control system of aircraft, solo machines are listed first, then dual, alphabetically in each case.

Electric and hybrid aircraft are shown in green.

All information is believed correct at the time of publication (February 2024), but no responsibility can be accepted for errors.

Help us keep it current, feedback please to nburr5006@gmail.com.

General notes

- Prices shown in £ sterling unless otherwise marked and include VAT where appropriate, but purchasers should check current price before ordering, particularly with imported machines. Buyers located outside the UK should deduct 20% VAT from £ sterling prices.
- Except where otherwise stated, we list the most basic of each design, with the engine type shown at the end of the aircraft name. Notes indicate options etc, but because of space limitations these are not exhaustive, so check suppliers' information to ensure you are comparing like with like.
- Imported aircraft are listed under the name of the original designer/manufacturer, with the importer in brackets. Aircraft made overseas under subcontract to a British company, and overseas designs made in Britain under licence, are not regarded as imports for the purposes of this table.
- You should consider conversion training when purchasing an unfamiliar type.

Notes to the table

- Engine choice: Vittorazi Mosler 25hp. Cors-Air Black Devil 25hp. Cors-Air Black Bull 33hp
- Optional engines Cors-Air Black Devil 25hp. Cors-Air Black Bull 33hp
- 912 engine standard, 912S engine extra
- Excludes engine, prop, instruments
- 912 engine standard, 912S engine £3296 extra
- Basic prices, many options available
- Optional build to SSDR spec
- Rotax 912 available to special order, POA
- Excludes avionics. Rotax 912S or 914 extra
- Rotax 912 engine standard, 912S, 912S, 914 extra
- Retractable undercarriage (RG model) available at extra cost
- Rotax 912 also approved. Rotax 912S £5000 extra. Rotax 915S with fitted tow hook £35,000 more
- Basic price, without optional Mosler engine or retractable undercarriage
- Alternative wings and engines available
- Mainstream engine: alternatives are Vittorazi Cosmos (£1440 extra), Vittorazi Mosler 185 (£496 less)
- Excludes delivery
- Tailwheel version; nosewheel model £2400 extra
