Medals and Awards – Nominations for 2022 Awards

The Royal Aero Club invites nominations to be considered for the Royal Aero Club 2022 Awards, detailed in the attached schedules. The provisional arrangements are that the Awards will be presented in May 2023. Please note that members submitting nominations for awards in the gift of FAI Air Sport Commissions (which operate to different deadlines) should make arrangements with the General Secretary to submit them to the FAI directly.

All other nominations must be considered by our Medals & Awards Committee, who will be meeting early in the New Year. Accordingly, we are asking for **all nominations to be submitted by close of business on Friday 16th December**. Member Associations may also submit details of one of their own major awards if they would like it to be considered for inclusion along with our own trophies at the presentation ceremony.

Please note that late entries will not be accepted, and that all submissions must be clearly set out in a proper manner, ideally using the online nomination form which you can find here: <https://raec.bmfa.uk/>. Citations should be limited to the standard form but supporting information will be considered if necessary. Contact details for all nominees must be included.

If you are unsure as to which of the Awards would be most appropriate for your nominee, please contact Matthew Bolshaw, Chair of the Medals & Awards Committee, on 07785237777 or by email via secretary@royalaeroclub.uk and he will be pleased to advise you accordingly.

Kind regards

Dave Phipps
General Secretary
