HOW TO BOOK

GASCo provide details of any upcoming courses on their website

www.gasco.org.uk

Full contact details are also available there.

You can also arrange to host a GASCo evening at your club or flight school.

COSTS

GASCo webinars are generally free of charge.

OBJECTIVE

To provide pilots with the latest information around infringements, both causes and mitigations, and to share good practice techniques to avoid accidental infringements.

BACKGROUND

In this hour and a half long webinar, GASCo Regional Safety Officers will provide information on how to avoid having an airspace infringement. It will contain tips and suggestions, quizzes and an example of airspace pre-flight planning using Threat & Error Management techniques.

SYLLABUS

Visiting speakers join the team of GASCo Regional Safety Officers and a short Q&A session is included. The aim is to make the evening as interactive as practicable by taking audience polls.

In addition to this course, there are other webinars on offer, any of which would satisfy the requirements of a Safety Module. Topics include

-  Safety Evening;
-  Staying in Control;
-  Sharpen up your Lookout;
-  Threat and Error Management for GA Pilots;
-  Setting Personal Limits

Other, full day courses offered by GASCo, would satisfy the requirements of an Education module. These are described under the Education module section
