SESSIONS

The BMAA is planning to arrange occasional visits for Microlight pilots. These will be to places which are more likely to be difficult to access for individual pilots such as

- **AAIB** - Air Accidents Investigation Branch (BMAA has agreement for an initial visit)
- **CAA** – Civil Aviation Authority
- Duxford Safety Day

Dates will be published as they are arranged and will be advertised on the BMAA website, in Microlight Flying magazine and eMF as well as via social media.
