**Remarks**  
**PPR by telephone.** Microlight school is particularly active at weekends. Please be considerate of ab-initio students. Although Rwy's are marked by cut grass strips, all the field is useable. Take-offs are restricted to Rwy's. Student pilots are encouraged to land into wind and not stick blindly to cut Rwy's.

**Warnings**  
 Occasionally waterlogged after heavy winter rain/snow. Grass may be long at sides of cut Rwy's in summer.  
**Caution:** Telephone poles and lines along N boundary of AD. Dyke 10ft W of AD.  
**Noise:** Avoid over flying local habitation. Do not over fly the large houses in the trees to NE of AD 1nm.
