Dear All,

Amendment to the extension of NPPL (A) M Written Examinations in IB 04-2020.

Between the issue of IB 04-2020 and the CAA publishing the exam extensions to the CAA website the applicability dates were changed from those published in this IB.

IB 04-2020 states: *'The CAA also extends the validity period of examinations completed that were due to expire between 19 March 2020 and 18 September 2020, until 18 March 2021, applicants are to annotate their application with **'COVID-19 delay'**.*

However when the CAA added the text of the exam extensions to their website they changed the applicability dates from those we published to *between 16 March 2020 to 31 October 2020* - several extra weeks.

So please disregard the period of extension in IB 04-2020 and instead use the following:

All NPPL (A) M exams that were due to expire between the 16th March 2020 and the 31st October 2020 can have the validity period extended until the 18th March 2021.

Aaron has already sent an email to this effect, this IB is being issued to amend the content in IB 04-2020.

Merry Christmas and a kinder, and healthier, New Year to all
